1-DAY HOLIDAY PROGRAMME

FOR NURSERY 2 - KINDERGARTEN 2

Exclusively for
KIDZ MEADOW students!

Refer to the
attached
circular for
more details!

CALLING ALL LITTLE VOLCANOLOGISTS! WE "LAVA" YOU!

Would you want your child to spend his or her day learning new things, exploring and enjoying FUN activities? If your answer is YES...

That's exactly what we want for them too! Stellar Champs holiday programme is crammed with fun and action for budding scientists, artists, sportsmen ... even if they haven't shown an interest in them yet. **(That's what we're here for!)**

Your child will take part in everything the programme offers, learning how to do loads of new tasks facilitated by professionals who love what they do!

PROGRAMME HIGHLIGHTS!

INDOOR ACTIVITIES:

CREATING MINI VOLCANOES!

- Explore how volcanoes help form igneous rocks
- Describe what happens during a volcanic eruption
- Develop creativity and imagination skills
- Build a mini volcano using household items

MAKING OUR OWN LAVA LAMP

- Experiment with density and polarity
- Build a lava lamp using household items

JAMMING WITH STELLAR CHAMPS!

- Be creative and create own dance moves
-

OUTDOOR ACTIVITIES:

THE FLOOR IS LAVA

- Develop higher order skills: creativity & adaptation
- Move efficiently through spaces
- Enhance agility and gross motor development
